ANUBHOOTI

Make society a better place for living

A Non-Governmental
Organisation wholly
managed by students

Registration No: 190303155

WHO ARE WE?

VISION

Anubhooti is a student-run Non-Governmental Organisation. The journey from 9 core members to a family of 70, has been amazing. Fuelled by a desire to reform the world and to help the underprivileged sections of society in whatever way we can, this journey has indeed been an inclusive and accomodating one.

MISSION

Anubhooti aims to impart tinges of unadulterated happiness to those who are struggling with the pathos of life a bit too much. By saving portions of our pocket money and by organising crowdfunding sessions simultaneously, Anubhooti tries to empower people and encourage them to survive their own battles more valiently.

DURGA SOHAY

This event was organised to provide slum dwellers and their children with new clothes during Durga Puja

BANDHAN

On the occasion of Bhai Dooj, we visited **Tollygunj Oldage Home** to spend some quality time with the elderly people out there. Seeing them brimming with joy made us feel special too

SPORTS COMPETITION FOR ELDERLY

To bring back a taste of their long-lost childhood, we organised a Sports event for the elderly people and showered them with gifts and nostalgic moments.

RAMDHONU

On 14th November 2020, we celebrated Children's Day with the kids of **Holy Mission for Children's Welfare and Rural Development**. Besides making them play games and showering them with gifts, we conducted interactive sessions with the kids regarding COVID 19 safety measures, the importance of education and other fun topics.

DURGA SOHAY: ANNAPURNA ODHAI

Anubhooti, with its zeal to fight against hunger, conducted a social experiment through social media to raise funds to feed the homeless. For each share on our Facebook video, we donated Rs.10 towards the cause.

CHRISTMAS AT THAKURPUKUR CANCER HOSPITAL

On the occasion of Christmas, we at Anubhooti wanted to do something special for the children in Thakurpukur Cancer Hospital.

We distributed toys, puzzles, colouring books and candy to the brave young souls in the hospital.

Their enthusiasm and innocence won all our hearts!

CLOTHES DISTRIBUTION

We held donation drives and distributed warm clothes to people living on the streets in and around Kolkata during winter.

COVID RELIEF: VERIFIED LEADS

As part of the **Calcutta Anti-Covid Belt**, our members have been working very hard to verify leads for patients.

Be it oxygen cylinders, RT PCR tests, ICU beds, we verify all kinds of leads from our database and help patient parties gather resources in their time of need.

Contact us to join our Whatsapp group for verified leads

653 cases solved so far!! 🎉

FUNDRAISING

At the age of 78, Mr. Dasgupta was diagnosed with cancer. A tumor in his urinary bladder needs immediate surgery, however the cost of operation is too expensive for a family dependent on a small shop to meet their livelihood.

Our core committee member Subhanjali has been working relentlessly to raise funds to lessen their financial burdern and thus far has managed to raise over **80 Thousand Rupees** using social media.

YAAS CYCLONE RELIEF

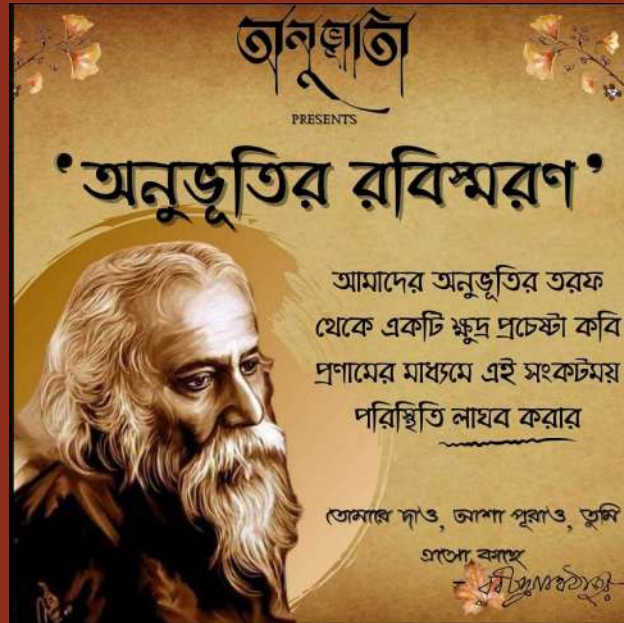

We collaborated with **Cholo Paltai** for the distribution of necessary food items to families affected by the YAAS Cyclone.

On 29th May 2021, members visited a village nearby Digha and provided ration to around **80 families**.

ANUBHOOTI RABISWARAN

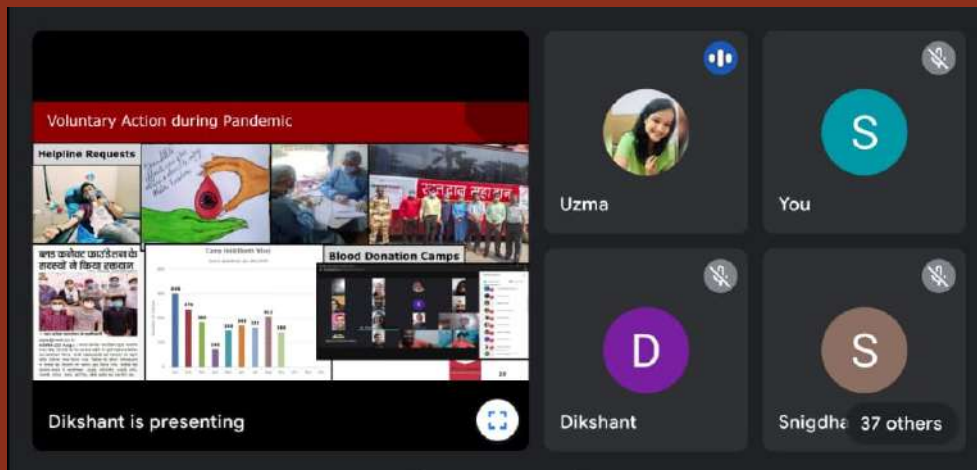

To commemorate Rabindranath Tagore's birth anniversary, and in an attempt to overcome lockdown blues, we at Anubhooti arranged an event in social media.

Many of our members participated in this celebration and did several performances, be it singing, dancing, narration, poetry and the likes.

UPCOMING PROJECTS

Delivering home essentials

Anubhooti will also be providing services which include providing all household essentials which the covid affected patients otherwise cannot go out and buy. Services like buying them medicines and food delivery are also looked after.

Free Counselling Sessions

We are currently looking for mental health practitioners and counselors who can volunteer for free counseling sessions. We are also looking for mental health activists who can raise awareness on the effect of lockdown on mental health.
