## **FEEDBACK REPORT ON STUDENT MENTORING-RANDOM SELECTION**

### **CHIEF MENTORS:**

- DR. INDRANI CHOUDHURI DUTT
- DR. MOU ROY
- DR. AJANTA BHOWAL
- DR. ARPITA BHATTACHARYA
- DR. SANJUKTA MONDAL (PARUI)
- DR. BIDISHA MISRA

### **GRIEVANCES OF STUDENTS:**

- The students expressed desire for more upgradation of washroom and drinking facilities.
- Sanitary napkins not available in vending machines at times.
- Demand for more Reference books for certain subjects in the Library.
- Annual Fest not being organized for the past few years.
- Restricted use of Wi-fi in the College Campus and hostel.
- Dissatisfaction about the timing of add on Courses.

## **APPRECIATION BY STUDENTS**

- Studying at Lady Brabourne College is a privilege. Teacher-student interaction very positive. College has discipline.
- Green campus
- Faculty is satisfactory. The students are satisfied with the teaching standards and the method of teaching. Classes taken regularly following the schedule.
- Both Central and Departmental Library facilities very good.
- Good canteen facilities.
- On-going Career Oriented Courses are very much beneficial.

## **SUGGESTIONS GIVEN BY STUDENTS**

- Library books should be re-issued on the same day the books are returned through the drop box.
- More number of books for PG according to the changing syllabus
- Open Library System

## ACTION TAKEN

The IQAC Mentoring team met with the Principal and there was a threadbare discussion on the major areas of dissatisfaction.

- Dissatisfaction over cleanliness of washrooms and drinking water is a recurring issue meticulously addressed by the mentor group and frequently addressed by the chairperson herself. In the said meeting the Non-teaching Staff Member in charge of the cleaning Staff was called and explanations demanded. The Principal said that toilet cleaning was to be given priority. Strict instructions were given to the sweepers for regular cleaning of classrooms and toilets. The washroom facilities are relatively in a more hygienic state than that observed by the students of the previous years. The IQAC mentors appreciate the vigilance of the students, and make their action plan in accordance to this vigilance. The benchmark to be attained is much higher and mentors and college authorities are striving to achieve it.
- The teacher in Charge of the Drinking Water facilities was also called and the entire committee placed the grievances to her and there were discussions on looking into the improvement of the Water supply by asking the PWD civil to carry on some improvements. The College had already taken the initiative of improving on the water quality. Due to the high percentage of iron in the underground water resources, there is clogging of pipelines and taps. The issue was raised at the Governing Body meeting on 10.5.2023. The Assistant Engineer, PWD Civil, suggested that the College should initiate with the process of municipality water connection which will be requiring the installation of 3 ferrules. As two ferrules are already installed within the college premises, the College should take the initiative of installing the third one. Accordingly the College has already applied to the Executive Engineer, Kolkata Municipal Corporation accordingly and is awaiting the latter's initiative to solve this problem.
- The Committee members were also directed by the Principal to ensure better conditions of the Vending machines. A proposal has already come from our registered alumni association for installation of more vending machines.

- To address to the limitation of Reference books in some subjects, the Principal decided to send a proposal to the Higher Education Department, Government of West Bengal for the release of funds for purchase of more books. The fund released by the State Government under the recurring head for purchase of books under the development grant has not been very satisfactory over the years.
- The College has been unable to organize the Annual Fest due to non-availability of a Student's Council and also due to the Covid 19 Pandemic and the post covid restrictions. Initiatives are being taken to organize the Annual Fest for the session 2023-24.
- The students were made aware of the reasons for the restricted use of Wi-fi connection in the College Campus due to the misappropriate use of the facilities by certain students both within the College Campus as well as in the Hostel.
- During the discussion about the timings of the on-going Add on courses, it seems to emerge that there was partly the problem of students staying back for classes of add-on courses after College hours because of the stress of commuting. Because of its quality teaching Lady Brabourne College attracts students from fringe areas and they feel that academic enrichment is their first priority. More Add-on Courses are already in the pipeline to be implemented during 2023-24.

College gives priority to promote education to poor students of rural background. The students of the locality can't afford their education in the urban colleges, due to several reasons basically financial. So, our college provides academic environment to those aspiring students of the rural area so that they can move ahead in their academic endeavour. Keeping holistic development of the students in view, the college encourage them to participate in extracurricular activities (NSS, cultural, literary and sports) so that they cop up with students of the main stream. Besides, the college also organizes several talks, seminars, workshops etc., to apprise students to the burning national and international issues.
